## Moshulu Restaurant

The World's Oldest and Largest Four-Masted Tall Ship still afloat! She was named by President Wilson & His Wife in Honor of the Seneca Indian, "Moshulu" meaning "Fearless". She was first launched in 1904 and had a long and exciting career on the seas working the ports of Europe, Mexico, Australia, Africa and America. She has hauled coal, copper, ore, nitrate, lumber and grain.

The Moshulu is a 107 year old Clipper Sailing Ship, now a stationary restaurant at Penn's Landing. The Moshulu is 397 feet long with masts towering 220 feet above her Chart House deck. Her private dining rooms for parties of 15 to 400, adventuresome American cuisine, and her unsurpassed views make this one of the most unique venues in the world.
