

THE FRANKLIN INSTITUTE

THE BEST OF PHILADELPHIA ON LAND AND ON WATER

Come Experience The Franklin Institute & the Moshulu Restaurant.

THE FRANKLIN INSTITUTE

Located in the heart of Philadelphia, The Franklin Institute is a national leader in hands-on science learning for all ages. The museum is home to three floors of exhibits, a 4D flight simulator, live daily demonstrations, and three theaters - the Fels Planetarium, Tuttleman IMAX Theater, and 3D Franklin Theater. Throughout the year, the Institute also hosts world-class special exhibitions that offer once-in-a-lifetime educational and cultural experiences.

GIANT MYSTERIOUS DINOSAURS

December 10, 2011 - April 15, 2012

If you think you know dinosaurs, thinkagain! Beginning December 10, the world's largest and most unusual dinosaurs invade The Franklin Institute for a limited time. *Giant Mysterious Dinosaurs* provides an up-close look at GIGANTIC dinosaur skeletons and fossils from around the globe - some as long as 70 feet.

MOSHULU RESTAURANT

The Moshulu is the oldest and largest 4-masted tall ship still afloat. Her private dining rooms for parties of 15 to 400, adventuresome American cuisine, and her unsurpassed views have earned her the AAA Prestigious 4-Diamond Award from 2005-2011. The Moshulu is 107 years old, 397 feet long with masts towering 220 feet above her Chart House deck; which makes her one of the most unique venues in the world.

Adult Groups must have 15 or more people to receive group rates.

Plus, admission to one of The Franklin Institute's traveling exhibitions always includes general admission access to the full museum!
